5-YEAR System Warranty

No other company in the industry provides a more inclusive, longer-lasting warranty. Our 5-YEAR System Warranty and LIFETIME Cable and SDXC Card Warranty cover you, no matter where you bought your system or who installed it.

Motion Detection Recording

The PRO-VISION® HD Interview Room System can detect when a person enters the room, automatically categorizing the activity as Event Video to simplify the file management process and allow you to quickly find your important video files.

24/7 Recording Option

Forgotten interviews or missed video can be recovered, while manually initiated recordings are easily found and transferred to evidence management software.

Evidence Management Software

The PRO-VISION® HD Interview Room System is designed for integration with SecuraMax™, the secure, automated, turn-key evidence management solution designed to help you upload, manage, protect and share evidence files.

Remote Live Video Viewing

Remote Live Video Viewing allows you to watch, in real time, the view that is being recorded by the PRO-VISION® Solid-State HD Interview Room System through a Wi-Fi, 3G or 4G connection.

Unbeatable Value

Priced over 50% less than other brands, you will stretch your precious budget dollars and equip more interview rooms with the PRO-VISION® HD Interview Room System.
